Human Resources Director  
LeadMethod Inc.  
Bend, OR

Dear Director,

I am excited to be applying for the Client Success Associate position open with LeadMethod! Recently, I have been in search of a position related to Account Management in the Bend area when I found a position that matches my experience and career goals within your company!

The Client Success Associate position specifically caught my attention because of some key similarities with my current job. I work as an Account Strategist at MyWebGrocer in Winooski, Vermont. MyWebGrocer is one of the leading providers of digital grocery services in the country and still has the innovative startup feel to it. My role specifically is in Advertising Operations. I work closely with the CPG Sales team to develop and build advertising campaigns that will run on our retailer sites.

At MyWebGrocer, I have progressed to the point of training multiple new employees, taking on a number of high priority CPG accounts, and building lasting relationships with clients. I believe I would be a great addition to the LeadMethod team because of my experience working with numbers, managing accounts, and enjoyment helping clients succeed with their advertising campaigns.

I am a highly detail-oriented, proactive, and enthusiastic individual who enjoys cooking, snowboarding, photography, travel, and taking on new challenges!

Please feel free to reach out if you have any questions! Thank you for all your time and consideration.

Sincerely,  
Tara Thoubboron
